Susan, Just an FYI that I've just forwarded. Please see below and thank you so much for your extraordinary help! Note that I'll be traveling on business overseas, so Becky, my Specialist will communicate with you any LOS requests or feedback about the denial. Hope you had a great weekend. Best, Brent

Hi Tina,

Please see attached and review for accuracy. If any changes need to be made, please reply with specific information to both Becky and me. If it looks good, then please forward to Le Oanh Tran as per below instructions.

I communicated with Senator Leahy's office the refusal of your other client, and his staff would like more info regarding what the Consular officer stated. Please try to obtain specific statement(s) made by the consular officer as per your client. Forward them to both Becky and me.

I'll be out of country on biz from 11/12 to 11/28 so Becky will most likely be handling Senator Leahy LOS requests for Vietnamese investors. Feel free to call me over the weekend if you have any concerns or questions.

Best,

Brent

Dear Brent:

Here is the letter in support of Le Oanh Tran's visitor visa application. If it is completely accurate you can email it to Ms. Tran so she can present it to the consular officer at the time of her interview. Otherwise please let me know what needs to be edited.

Once you learn the date of her interview I will also email a copy directly to the consulate.
