Hi Susan,

Please see below follow up inquiry about **Nhuan Vu**. Are you available for me to call you and obtain an update about this Vietnam citizen interested in visiting Jay Peak to perform due diligence on Jay Peak's Northeast Kingdom Renaissance projects.

Also, I'm being asked to travel to Vietnam to follow up on my trip last January and Governor Peter Shumlin, Secretary Miller and Bill Stenger's EB-5 mission to Vietnam this past September. We've already invested a lot of Vermont state resources and time. I'm being asked to travel there again. Before I commit I want to speak with you about what the concerns of the Ho Chi Min consulate are in regards to potential investors visiting the Vermont EB-5 Regional Center and Jay Peak's projects.

Let me know if you're available today. I have a 3:35 meeting in Windsor. But can talk with you any time prior.

Kind regards,

Brent

Dear Brent,

How are you? I am going to VN and planning to have seminar on January 11, 2014 in HCM city and another one in Ha Noi. I wonder if you can come to this meeting?

By the way, please help me to check for the status of letter for Nhuan Vu from Senator office? I would like to have it and re-schedule the interview for him before I have another seminar.

I hope you have a wonderful Holiday!

Sincerely,

DIGGERPRA-ACCD0239
