Ariel & Bill,

The RC will be doing an RFP for outside securities counsel. Selected counsel will review the updated offerings once Marc has completed final draft changes.

AnC Bio and Q-Burke will be responsible for counsel costs.

The RC will also require copies of the completed and executed disclosures provided to Marc for both AnC Bio and Q-Burke, including relevant disclosure information pertaining to both of you as principals of the two projects and pertinent material information including but not limited to any potential self dealing, related party transactions, conflicts of interest and AnC Bio Korea. Please forward as soon as they are completed and executed. RC counsel shall be provided the disclosure forms to ensure requested material information disclosure is thorough and for review of the updated offering materials.

Ariel and Bill, both of you please reply all to acknowledge receipt, state your understanding of this notice, and confirm acceptance of conditions including AnC Bio and Burke responsibility to pay RC costs for outside counsel.

Bill, no need for a conference call tomorrow. Your and Ariel both replying to acknowledge receipt, understanding and agreement is sufficient.

Thanks,

Brent
