Subject: Vermont Telecommunications Authority Board Meeting, Northeast Kingdom Fiber project- THIS FRIDAY, in Newport

Date: 2012-10-02 11:38:47 -0400

Hi Bill,

For all you have done- Kudos!

For all you and your team are about to do- FULL SPEED AHEAD!!

I wanted to invite you or a representative of your team to the Vermont Telecommunications Board meeting , scheduled for this Friday in Newport.

Talk about convergence: the VTA will be discussing a strategic construction plan to assemble multiple, disparate sections of dark fiber in the Northeast Kingdom into one operational fiber network.

This will be critical infrastructure that supports the economic development renaissance in the region and we would look forward to your team's input and comment.

Meeting details:

October 5

9A – 11:30 A

The Gateway Center. 222 Main Street Newport, VT 05855

We can arrange the agenda to coincide with what might work best on your schedule, plan for about an hour of discussion.

Please let me know if you would like to attend.

Best,

KM
