Hi David,

Noon on the 19<sup>th</sup> would work either at my office in Montpelier or anywhere in the Burlington area. 4:00 would work anywhere in the Burlington area. I have a business visit in Williston in the afternoon.

Best,

Brent

Thanks, Brent. We're shoring up a couple details but I was just about to reach out. Would noon or 4pm work on the 19<sup>th</sup>? I currently have the 12pm slot open, but it's possible another meeting is going to take its place. I should know very soon.

If none of the above work, I have some time the afternoon of the 18<sup>th</sup>. Thanks again.

Hi David,

I'm available up to 10 and after 11 on the 19th. I have to travel to Ludlow to meet with Timber Creek developers who are very interested in using EB-5 in their capital stack. See info on the Act 250 Master Plan approved development here:

Also, VTDigger will be dropping another Jay Peak article on Sunday. Happy to fill you and Chris in today (with what I know) if you'd like.

Best,

Brent
