Susan, any help you can give is appreciated. As you might recall Governor Shumlin and Lawrence Miller and myself visited Vietnam and had a great trip with much interest in our projects. Now that investors are trying to visit us and see the state and our facility they get blocked. We enthusiastically invited them to come and see Vermont before investing and now some are taking us up on our invitation only to be blocked by our own officials. We have photos of our presentations there with the Governor. Would it be helpful to have interviewee's bring a photo of our appearance in Vietnam to the interview? Trying to make future issues less problematic. Susan, thanks so much for your help, Bill

Hi Susan,

Happy holidays!

Below are the responses of the 2nd Vietnamese EB-5 investor whose visa was denied. Do you have any advice about what I may do?

Would my writing a letter to the HCMC Consulate to make them aware of our projects be helpful?

Best,
Brent

Dear Brent,

How are you? as I mentioned to you few weeks ago, there was one more investor who failed in the interview early in November. His Name is Nhuan Vu.

The interview was on November 8th in Ho Chi Minh City.

The following questions from consul to Nhuan Vu:

1. Where are you plan to go in US?
Answer: Jay Peak Resort.
2. What is your purpose of the visit?
Answer: To find out about a project to invest in
3. Why did you choose Jay Peak Project?

Answer: There were many projects in hotels and vacation resorts, etc, but as of now, Jay Peak Resort has the joint venture with a Korean company in Bio tech to produce the medical devices and stem cell research. My company is also a pharmaceutical company; therefore, I am interested to learn more by visiting the site.

4. What degree do you have?

Answer: I had the specialist degree

5. What are you doing right now?

Answer: I am a Vice President in a Pharmaceutical company

6. Are you sure that you are going to invest into this project?

Answer: yes.

After a few minutes, they answered to me that I am not qualified to get the visa. And I forgot to mention that this project is an EB5 project.

Brent, that's all of what I got from the email below from investor.

I hope that you can escalate to the Senator's office to help.

We are working with investors to get funds to wire to ANC BiO project and are planning to submit I-526 package soon. Hope you can help to clear this issue soon. in addition, it is also very helpful for other future investors to have the letter from the Senator's office to notify to consulate office in Ho Chi Minh City that Vermont Regional Center is currently managing the Active EB5 project- Jay Peak Biomedical Research LP. It seems to me that the Consulate in HCM city was not aware of the EB5 status of the Jay Peak Project.

Thank you for your support!

Sincerely,

Tina Le Harwood.
